

Washington FSDO FAASTeam presents:

Warrenton-Fauquier Airport (KHWY) - Airspace with a Little Bit of Everything

The Washington FSDO FAAS Team will be hosting a Warrenton-Fauquier Airport (HWY) aviation safety virtual event. This safety webinar will include topics relevant to operations at non-towered airports and we will discuss safety related issues pertinent to operations on and in the vicinity of the Warrenton-Fauquier Airport. Representatives from each of the major user groups will be in attendance to discuss standard operating procedures specific to their operation, including: Flight Training Operations Aerobatic Operations Skydive Operations. Representatives from the Airport Management and the FAA will also be in attendance.

Directions: This webinar is being held via Zoom on Tuesday, May 4th, 2021, at 7 PM (EST). If you wish to receive WINGS credit for this event, please use your faasafety.gov email when registering. Register in advance for this meeting: <https://faavideo.zoomgov.com/meeting/register/vJltfu-qqDMoH-30ITd9eWl5PCQeyuy9gz4>. After registering, you will receive a confirmation email containing information about joining the meeting.
